IT IS HEREBY STIPULATED by and between the parties, through their respective undersigned attorneys, and with the permission of the Court, that plaintiff's time to file a motion for summary judgment is extended to October 20, 2025.

This is a first extension. Plaintiff's counsel has been faced with too many briefs in these cases due over too short a time period and must space them out. Counsel has multiple briefs due between now and the requested date where the record was filed earlier than this one.
